Objective.

Motivated and detail-oriented Frontend Developer with a solid foundation in Frontend web development and a degree in B.A Urban and Regional Planning. I am seeking a junior frontend developer role to apply and further develop my skills in Frontend Development

Education.

Bachelor of Arts in Urban and Regional Planning

Maseno University, Kenya

Year of Graduation: 2022

Online Courses and Certifications

- Frontend Development (Coursera | Meta | 2023) Covered topics including HTML, CSS, JavaScript (ES6), React, UI, UX and responsive web design.
- Backend Development (Coursera | Meta | Current) Ongoing course to expand my skills in backend development. Covered programming in Python

Technical Skills.

- Programming Languages: HTML, CSS, JavaScript (ES6).
- Technologies: React, Jest, Chakra UI, Material UI, CSS frameworks (SASS, Bootstrap).
- Version Control: Git, GitHub.
- Responsive Web Design.
- Wireframing & Prototyping Tools: Figma.
- User Interface Design.

Projects.

Portfolio Website

Developed a responsive personal portfolio website utilizing React to showcase my projects and demonstrate my proficiency in Frontend web development.

The site incorporates a user-friendly design, ensuring optimal viewing experience across devices.

Little Lemon Restaurant Website

Built and enhanced the Little Lemon Restaurant website by integrating a reservation booking feature, providing an interactive experience for customers.

Leveraged React to develop a functionality that seamlessly retrieves and presents data from an API, enriching the website's capabilities.
